In order to evaluate the applicant's potential and suitability for this course, we need information to complement what we already know from the applicant and from the transcripts. We are particularly interested in learning about the applicant's motivation, integrity, consistency, participation and willingness to go beyond what is expected. Is the candidate curious about learning and working independently? How does the candidate relate to peers and/or teachers, and how do they perceive the applicant? Are there any special talents the applicant possesses that would be helpful for us to know, as we evaluate this application?
